FRIDAY 13 OCT

#HATSON4CPC

Each year the International Children's Palliative Care Network (ICPCN) organises and coordinates a worldwide awareness raising day to draw attention to the urgent need for greater provision of compassionate hospice and palliative care services for very sick children, wherever they are in the world. Falling on the 2nd Friday in October, the day is known as 'Hats on for Children's Palliative Care Day' using the hashtag #Hatson4CPC

On this day, which this year falls on **Friday 13 October 2017**, adults and children around the world are asked to wear a hat to work or school, post pictures on social media platforms and make a small donation towards the work of the ICPCN or a local children's hospice or palliative care service of their choice.

Please mark this day on your calendar and consider organising a special 'hat wearing' event such as a Mad Hatters Tea Party, Hat Making Competition or Fashion Show. We ask schools and other educational institutions to consider allowing their students to wear a hat to school on that day and for each child to make a small donation towards this very worthy cause.
