

SHOW YOU CARE -  
WEAR A HAT FOR  
CHILDREN NEEDING  
PALLIATIVE CARE

FRIDAY

13

OCTOBER

**21 million** children in the world today have an illness or condition that threatens or will significantly shorten their lives.

**HELP US** help them by following these **3** simple steps:

- 1** Wear a hat on Fri 13 Oct.
- 2** Take a selfie, post it on social media using #HatsOn4CPC
- 3** Donate to ICPCN or your nearest children's hospice

Children with life-threatening & life shortening illnesses need specialised care to give them the best possible quality of life.

Members of the children's palliative care team provide physical, social, emotional & spiritual support for these children and for their families.

By wearing a hat and making a donation, you help us to help them.
